SHEENA SAYDAM

Managing Partner, Saydam Properties Group

MEET SHEENA:

Sheena Saydam, along with her husband, leads Saydam Properties Group at Keller Williams - a small but mighty real estate team covering the DC Metro area. They've sold more than 1,500 homes entirely by referral and were DC's #1 top producing Keller Williams team in 2022. SPG is known for giving back to the community, and by the first quarter of 2023 will have donated over \$500K to charity. Giving is a central part of what they do, and has resulted in the creation of countless clean water drinking wells in Africa, the first library for a local maximum security prison, a shower truck for the homeless and investments in military veterans, DC firefighters, school safety, after school tutoring, and athletics for children in NE, DC, a school for 80 girls in Kisii, Kenya, and countless other projects. .

Sheena is a mom of three, a sneaker addict, and studio workout nerd.
